

## Monthly Hangar Flying SAFETY Meeting

You've heard about it... You know its coming... But what is it? At this month's meeting we will explore the elements of NextGen and what it will mean to the general aviation community. NextGen is the continuous modernization of our national airspace. It involves a comprehensive set of initiatives that integrates new air traffic technologies and procedures and transforms how the skies are managed. Don't miss this important briefing on the future of general aviation. As always, FREE snacks and soft drinks courtesy of TRUE COURSE FLIGHT SCHOOL.
